

VILLAS BY AZZURRA CONSTRUCTION MOVING WITH STEADY PACE

The earthwork for the new Azzurra villas is nearly complete, including rock cutting and villa grading. The construction of gravity retaining walls for line 3 is now at a 100% and is currently being prepared for grading. Line 1 gravity retaining walls are progressing at 90% with about 70% of grading and foundation levels of all line 1 villas. Line 2 is 80% complete and is being prepared for soil replacement and compaction, while line 4 is preparing for plain concrete pouring of the second part of gravity walls.

GRAVITY RETAINING WALLS LINE 3	90%
GRAVITY RETAINING WALLS LINE 2	80%
GRAVITY RETAINING WALLS LINE 1	100%
EARTHWORKS	70%

WHAT'S ON

RAMADAN BOXES PACKAGING EVENT

Residents of Azzurra have banded together to make Ramadan boxes in the hopes of giving back to the community during the holy month of Ramadan. In a spirit of giving and sharing, adults and children worked together with smiles on their faces to prepare the boxes.

CONTRACTS FOR PHASE 3 ARE BEING DELIVERED

Azzurra residents, who have received them with a smile. The contract boxes also serve as tea bag boxes, reminding you of this very valuable purchase.
