GOOGLE CELEBRATES INTERNATIONAL WOMEN'S DAY.

The Google search engine celebrated International Women's Day 2022. On its main page yesterday, it replaced its tagline with an animated movie depicting the responsibilities of women in society, particularly the role of the mother in work and society. International women's day demonstrates the world's regard for and appreciation of women's and mothers' contributions to society.

EGYPT HAS PASSED THE 'DIFFICULT PHASE' OF THE LATEST CORONAVIRUS OUTBREAK.

Egypt has passed through the "difficult phase" of the latest wave of the coronavirus pandemic, according to Presidential Advisor for Health Affairs Mohamed Awad Tag El-Din, who also noted that daily positive cases and deaths are declining. According to Tag El-Din, Egypt recently obtained the best recovery rates at isolation hospitals, which approached 85 percent on Sunday. Egypt has registered a total of 421,215 recoveries since the outbreak began in February 2020, after 1,321 patients were discharged from hospitals across the country in the last 24 hours.
