

PHASE III TO BE LAUNCHED IN NOVEMBER 2021

Azzurra Sahl Hasheesh is proud to announce the launch of Phase 3 in November 2021. Units are delivered fully finished or semi-finished with air conditioners, heaters, kitchen cabinets with marble tops and sinks, bathroom cabinets and shower panels.

Units are open for reservation starting November 2021, with a flexible 3 year payment plan .

VILLA TYPE A

Elevated some 32 m above sea level, Type A villa design masquerades an exceptional panoramic view of the blue horizon intersecting with the Red Sea vistas. The use of high-rise ceiling coupled with the wide façades intends to bring the view into every room, or roof top terrace, and the coziness of your private swimming pool.

VILLA TYPE B

Type B is one-floor, stand-alone chalet. To ensure a flawless view, Type B Chalet are hoisted 34 m above sea level, and above the first-row villas. Your own private swimming pool is engulfed within the design to add to your astonishing view, while the roof terrace gives you an exceptional space to host your beloved ones.

VILLA TYPE C

Type C is another design for the cherished one-floor, stand-alone chalet. The rectangular design incorporates your master bedroom into the picture-perfect scene to wake up to the spectacular view of the horizon and your own private swimming pool. The 70 sqm roof top gives you an exceptional space with an exceptional view.

TWIN TYPE VILLA

The Twin Type Villas are hoisted even higher to convey the astonishing panoramic view from your living space as well your master bedroom. The elevated garden adds a seamless area to your living room and bedroom, whereas the lower-level garden is another addition to your outdoor.
