

## AZZURRA SAHL HASHEESH STARTS THE CONSTRUCTION OF PHASE 3

With utmost pride, construction work for our cherished Phase 3 has commenced with steady pace, with earthworks already 50% in completion, including rock cutting and villas' grading. Gravity retaining walls up-to level 3 has been accomplished, while the retaining walls for level 4 are already under construction in November. With drawings and the infrastructure network almost fully completed, the project's distinctive characteristics are going to be visible very soon. **STAY TUNED.**
